

Department of General Medicine

Publications

S.No.	Name	Designation	Topic	Department	Name of the Journal	Year
1	Dr. R. Nagamani	Professor& HOD	A Study on Clinical Profile of Acute Kidney Injury	General Medicine	International Journal of Scientific and Research Publications	2015
			A Study on Clinical Profile of New Onset Focal Seizures in a Tertiary Care Centre	General Medicine	International Journal of Scientific and Research Publications	2015
			A Rare Case of Acromegaly Presenting with Cutis Vertics Gyrate	General Medicine	International Journal of Scientific and Research Publications	2015
			Correlation of Intima Media Thickness (As a Marker of Atherosclerosis) With Activity and Duration of Rheumatoid Arthritis Using Carotid Ultrasound	General Medicine	International Journal of Scientific and Research Publications	2015
			study of CVS involvement in covid-19 patient	General Medicine	International Journal of Medical and health research	2020
			A study on correlation of serum prolactin level to child Pugh Scoring system in cirrhosis of liver for assessing the disease severity.	General Medicine	Journal of Dental and Medical Sciences	2020-21
2	Dr. N. Srinivas Rao	Professor	Clinical Profile and Outcome of Malaria Patients with Acute Kidney Injury	General Medicine	International Journal of Scientific and Research Publications	2015
			Comparability and Validity of Clinical Scorings in Differentiating Cerebral Infarct and Hemorrhage	General Medicine	International Journal of Scientific and Research Publications	2015
			Indian heart journals – 2020 –Efficacy & safety sacubitril-valsartan compared with enalapril in patient with chronic heart failure and reduced fraction. Result from PARADIGM –HF India Sub study	General Medicine	India Heart Journal	2020
			A study to assess carotid intima media thickness in acute ischemia stroke patient admitted in Mallareddy Narayana Multispecialty Hospital.	General Medicine	MRIMS Journal of Medical Sciences	2020-21
			A study of carcinoembryonic antigen levels in patients with unstable angina and its correlation with quantitative taropnin-1 levels.	General Medicine	MRIMS Journal of Medical Sciences	2020-21
			A study of prognostic value of serum transaminases (AST/ALT) in Dengue Infection.	General Medicine		2020-21
			Efficacy and safety of sacubitril/valsartan compared with enalapril in patients with chronic heart failure and reduced ejection fraction: Results from PARADIGM-HF India sub-study	General Medicine	Indian heart journals	2020
3	Dr. K.B.R. Shastry	Professor	Comparison of the model for end stage liver disease (MELD) and MELD-Na (sodium) for outcome production in patient with decompensated Cirrhosis.	General Medicine	International Journal of Research in Medical Sciences	2020-21

			A study on prevalence of subclinical hypothyroidism in patients with pre existing heart failure.	General Medicine	International Journal of Research in Medical Sciences	2020-21
4	Dr. Leela Bati Toppo	Professor	Prevalence of Gestational Diabetes Mellitus and Its Risk Factors: A Study in A Semi Urban Area	General Medicine	INTERNATIONAL JOURNAL OF CONTEMPORARY MEDICAL RESEARCH	2015
			A study of helicobacter pylori in patients with cirrhosis.	General Medicine	International Journal of Contemporary Medicine Surgery and Radiology	2020-21
			Cardio vascular abnormalities in patient with chronic liver disease.	General Medicine	International Journal of Advances in Medicine	2020-21
			Burden and Triggering Factors of Migraine with and without Aura: A Study in a Tertiary Care Centre	General Medicine	International Journal of Contemporary Medicine Surgery and Radiology	2021
			Clinico- Hematological Profile of Renal Disease in Falciparum Malaria: A Study in a Tertiary Care Unit	General Medicine	International Journal of Contemporary Medicine Surgery and Radiology	2021
			Phase III Pivotal comparative clinical trial of intranasal (iNCOVACC) and intramuscular COVID 19 vaccine (Covaxin®)	General Medicine	NPJ Vaccines	2023
			Immunogenicity and Tolerability of BBV154 (iNCOVACC®), an Intranasal SARS-CoV-2 Vaccine, Compared with Intramuscular Covaxin® in Healthy Adults: A Randomised, Open-Label, Phase 3 Clinical Trial	General Medicine	preprints	2023
5	Dr Nithya Chandra	Professor	Effectivity of Neoadjuvant Chemotherapy on Locally Advanced Carcinoma of Breast: A Prospective Study	General Medicine	International Journal of Contemporary Medicine Surgery and Radiology	2021
6	Dr P Ragini Vasudeorao	Associate Professor	A Study on the Etiology and clinical profile of patients with thrombocytopenia admitted in ICU	General Medicine	International Journal of Health and Clinical Research	2021
			Assessment of serum magnesium levels in critically ill patients	General Medicine	International Journal of Health and Clinical Research	2021
			Case report –Fulminant hepatitis in pregnancy	General Medicine	International Journal of Health and Clinical Research	2021
7	D P Jaya Kumar	Associate Professor	Study of lipid profile and lipid peroxidation in chronic kidney disease patients on dialysis	General Medicine	International Journal of Health and Clinical Research	2021
			A Study of Relation of Hemoglobin A1c to Left Ventricular Diastolic Function in Patients with Type 1 Diabetes Mellitus and Without Overt Heart Disease	General Medicine	International Journal of Health and Clinical Research	2021
			A Prospective Study Of Effect Of Glycaemic Status On Pulmonary Function Test In Type 2 Diabetes Mellitus	General Medicine	Journal of Cardiovascular Disease Research	2023
			A Cross Sectional Study Of Association Of Serum Uric Acid With Albuminuria And Carotid Atherosclerosis In Type 2 Diabetes Mellitus Patients	General Medicine	Journal of Cardiovascular Disease Research	2023

Department of General Surgery

Publications

S.No.	Name	Designation	Topic	Department	Name of the Journal	Year
-------	------	-------------	-------	------------	---------------------	------

1	Dr.N.Raveendar	Professor	A study on Clinical profile of Acute Appendicitis in Rural Medical College	General Surgery	Int J Med Res Prof	2021
			A Clinico Pathological study on Urolithiasis in a Tertiary care Hospital	General Surgery	Int J Med Res Prof	2021
2	Dr.Rajesh Jasti	Professor	Local Anesthesia Versus Spinal Anaesthesia For Inguinal Hernia Repair: A Comparison	General Surgery	Journal of Cardiovascular Disease Research	2021
			A Comparative Study between Laser Haemorrhoidectomy and Milligan - Morgan Haemorrhoidectomy in the Treatment of Grade III and Grade IV Piles	General Surgery	Journal of Cardiovascular Disease Research	2021
			Study of Complications Following Thyroidectomy for Benign Thyroid Diseases	General Surgery	Int J Med Res Prof	2021
			Comparative Study of Laparoscopic-Assisted Appendectomy and Open Appendectomy	General Surgery	Int J Med Res Prof	2021
			Study of Hernias of Anterior Abdominal Wall of Andhra Pradesh	General Surgery	International Journal of Contemporary Surgery	2018
			a study of hrernias anterior abdominel wall of andhra pradesh	General Surgery	IJSS Journal of Surgery	2019
			Study of Post surgical site of Abdominal Infections in Andhra Pradesh Population	General Surgery	International Journal of Contemporary Surgery	2019
			Local Anesthesia Versus Spinal Anesthesia for Inguinal Hernia Repair: A Comparison	General Surgery	Journal of Cardiovascular Disease Research	2022
			comparative study of laperscopic-assisted appendectomy and open appendectomy	General Surgery	IJSS Journal of Surgery	2021
3	Dr CH B L Prasad	Professor	comparative study of laperscopic-assisted appendectomy and open appendectomy	General Surgery	IJSS Journal of Surgery	2021
			study of complications following thyroidectomy for benign thyriod diseases	General Surgery	IJSS Journal of Surgery	2021
			study of complications following thyroidectomy for benign thyriod diseases	General Surgery	IJSS Journal of Surgery	2021
			A Comparative Study between Laser Haemorrhoidectomy and Milligan - Morgan Haemorrhoidectomy in the Treatment of Grade III and Grade IV Piles	General Surgery	International Journal of Contemporary Medicine Suregery and Radiology	2022
4	Dr S Venkata Mahesh	Professor	A Study On Mass In Abdomen In Right Iliac Fossa In Day To Day Surgical Practice At Government General Hospital, Warangal, Telengana	General Surgery	Malla Reddy Medical College For Women Journal Of Medical Sciences	2018
			Clinical study of perforations among patients at a tertiary care hospital	General Surgery	International surgery journal	2018
			Outcome of surgeries for non-traumatic hollow viscous perforations	General Surgery	International Surgery Journal	2018
5	Dr Abdul Ghader	Professor	Open versus primary repair following hemorrhoidectomy for Grade III hemorrhoids: a prospective comparative study	General Surgery	International Surgery Journal	2018
			liver abscess drainage by needle aspiration versus pigtail catheter in telanagana population	General Surgery	IJSS Journal of Surgery	2021
			liver abscess drainage by needle aspiration versus pigtail catheter in telanagana population	General Surgery	IJSS Journal of Surgery	2021

6	Dr. P Kiran Kumar	Professor	Riedel's thyroiditis presenting as large retropharyngeal goiter-A rare case	General Surgery	Asian Pacific Journal of Health Sciences	2018
			Risk factors of acute and perforated appendicitis in a semi-rural population: a retrospective study	General Surgery	International Surgery Journal Paidipelly KK et al. Int Surg J.	2018
			Risk factors for the conversion of laparoscopic to open cholecystectomy	General Surgery	International Surgery Journal Paidipelly KK et al. Int Surg J.	2018
			A Clinical Study of Blunt Trauma Abdomen in a Tertiary Care Teaching Hospital	General Surgery	Europeon Journal of Molecular& Clinical Medicine Volume	2021
			A Comparative Study of Accuracy between BISAPand APACHE-II Scoring System in Acute Pancreatitis	General Surgery	Europeon Journal of Molecular& Clinical Medicine Volume	2021
7	Dr Geeta Sabhnani	Associate Professor	Peptic ulcer perforation in young Indians the causation and the trend	General Surgery	International Surgery Journal.	2018
			A Study Of Cases Of Gastric Outlet Obstruction: Our Experience	General Surgery	International Journal Of Scientific Research	2019
8	Dr.D.Shruthi	Assistant Professor	A Comparitive Study of the Efficacy of Antibiotic Impregnated Collagen Granule Dressings Vs Conventional Dressings for Treatment of Diabetic Ulcers	General Surgery	Journal of Dental and Medical Sciences	2019
9	Dr.Nawaz Mohammad Dakhani	Senior Resident	A comparative study of Ligation of Intesphincteric Fistula Tract versus conventional fistulectomy in management of low fistula in ano: a randomized control trial	General Surgery	International Surgery Journal	2020
			Different outcomes of spontaneous gall bladder perforation owing to timing of surgical intervention: report of 2 cases	General Surgery	International Surgery Journal	2020

Department of OBGY

Publications

S.NO	Name	Designation	Topic	Department	Name of the Journal	Year
1	Dr H Anupama	Professor& HOD	Co author "Review of Recommendations for Gynecological practices in COVID- 19 pandemic	OBGY	women in cardiology and related sciences	2020
			Co author "Recommendations for Gynecological endoscopic surgery in COVID- 19 pandemic women in cardiology and related sciences	OBGY	women in cardiology and related sciences	2020
			Co author for the original article 'Immunohistochemical Evaluation Of Infiltrating Immune Cells In Endometrial Biopsy Of Female Genital Tuberculosis',	OBGY	European Journal of Obstetrics &Gynecology and Reproductive Biology,	2021
			Co author for book - Chapter on 'Adolescent PCOS'	OBGY	"Update obstetrics and Gynecology	2021
			Splenomegaly in Pregnancy-Evaluation of Causes and Pregnancy Outcome- A Case Series	OBGY	European Journal of Molecular & Clinical Medicine	2022
			Anti-Neoplastic Drug Exposure in Pregnancy and Fetal Haemorrhage: A Rare Teratogenicity	OBGY	Scholars International Journal of Obstetrics and Gynecology	2022
			Co author of the original article " Expression of CD68 in the placenta of Gestational diabetic mothers; A case control study	OBGY	Indian Journal of Pathology and Microbiology	2022

2	Dr.Saritha K	Professor	Impact of maternal heart disease: Maternal and fetal outcome in tertiary care hospital	OBGY	Journal of cardiovascular disease research	2022
			A Study of Maternal and Perinatal outcome in Abruption Placenta	OBGY	Journal of cardiovascular disease research	2023
			Clinical profile and Complications associated with Hysterectomy at a tertiary care hospital	OBGY	Journal of cardiovascular disease research	2023
3	Dr.Sreelakshmi U	Professor	Surgical management of uterine fibroids in perimenopausal age: Tertiary care centre experience	OBGY	European Journal of Molecular & Clinical Medicine	2023
			Gestational age accuracy based on various ultrasonographic parameters: among healthy pregnant women at a tertiary care center	OBGY	Journal of cardiovascular disease research	2023
			Clinical profile and Complications associated with Hysterectomy at a tertiary care hospital	OBGY	Journal of cardiovascular disease research	2023
			Alternative To Hysterectomy In AUB-N: Uterine Artery Embolization	OBGY	Journal of cardiovascular disease research	2023
4	Dr.V Prathyusha	Associate Professor	modified biophysical profile as antepartum fetal surveillance in predicting perinatal outcome in high risk	OBGY	International Journal of Academic Medicine and Pharmacy	2023
			Splenomegaly in Pregnancy-Evaluation of Causes and Pregnancy Outcome- A Case Series 1st author	OBGY	European Journal of Molecular & Clinical Medicine	2022
5	Dr. Bushra Shereen	Assistant Professor	Impact of maternal heart disease :Maternal and fetal outcome in tertiary care hospital Second Author	OBGY	Journal of cardiovascular disease research	2022
			Anti-Neoplastic Drug Exposure in Pregnancy and Fetal Haemorrhage: A Rare Teratogenicity	OBGY	Scholars International Journal of Obstetrics and Gynecology	2022
6	Dr T Pratyusha	Assistant Professor	A study of association between thyroid dysfunction and serum anti-mullerian hormone levels in women presenting with Infertility.	OBGY	IJRCOG	2020
			A Study of Maternal and Perinatal outcome in Abruption Placenta	OBGY	Journal of cardiovascular disease research	2023
7	Dr Vishali	Assistant Professor	“A clinical prospective study of levonorgestrel releasing intrauterine system in women with abnormal uterine bleeding	OBGY	EJMCM	2020
			Observational Retrospective study of Thrombocytopenia in Mild Covid Pregnant Women	OBGY	IOSR	2021
			Splenomegaly in pregnancy ~ Evaluation of cause and pregnancy outcome ~ a case series.	OBGY	EJMCM	2022
			Modified biophysical profile as antepartum fetal surveillance in predicting perinatal outcome in high risk case.	OBGY	International Journal of Academic Medicine and Pharmacy	2023

			Alternative to hysterectomy on AUB- N in uterine artery embolization.	OBGY	Journal of cardiovascular disease research	2023
8	Dr.P Lakshmi Tejeswini	Assistant Professor	Surgical management of uterine fibroids in premenopausal age : Tertiary care centre experience Third author	OBGY	European journal of molecular and clinical medicine	2023
			A study on relation between maternal characteristics with fetal and placental weight at a tertiary care hospital Second Author	OBGY	Journal of cardiovascular disease research	2023
			Gestational age accuracy based on various ultrasonographic parameters: among healthy pregnant women at a tertiary care center Second Author	OBGY	Journal of cardiovascular disease research	2023
9	Dr Ritika Malviya	Assistant Professor	Senior Author in “Factors predicting success of vaginal delivery in women with oligohydramnios undergoing induction of labour”	OBGY	IJRCOG	2021
			Study of incidence of Urinary Tract infection during pregnancy and its effect on maternal and perinatal outcome	OBGY	IJRCOG	2021
10	Dr.Shalini	Assistant Professor	Splenomegaly in Pregnancy-Evaluation of Causes and Pregnancy Outcome- A Case Series	OBGY	European Journal of Molecular & Clinical Medicine	2022
			Modified IO Physical Profile As Antepartum Fetal Surveillance Inpredicting Perinatal Outcome In High Risk	OBGY	International Journal of Academic Medicine and Pharmacy	2023
11	Dr.Subha Archana	Assistant Professor	Surgical management of uterine fibroids in premenopausal age : Tertiary care centre experience	OBGY	European Journal of Molecular & Clinical Medicine	2023
			Gestational age accuracy based on various ultrasonographic parameters: among healthy pregnant women at a tertiary care center	OBGY	Journal of cardiovascular disease research	2023
			A study on relation between maternal characteristics with fetal and placental weight at a tertiary care hospital	OBGY	Journal of cardiovascular disease research	2023

Department of Orthopedics

Publications

S.No.	Name	Designation	Topic	Department	Name of the Journal	Year
1	Dr B V Ramana	Professor& HOD	Two-Stage Surgical Management Of Multilevel Symptomatic Thoracic Haemangioma Using Ethanol And Iliac Crest Bone Graft.	Orthopedics	Asian Spine J	2014
			Subungual Glomus Tumors Of The Hand: Treated By Transungual Excision.	Orthopedics	Indian J Orthop	2015
			Multifocal Nodular Fasciitis Of The Hand And Shoulder: Case Report.	Orthopedics	J Hand Surg Am.	2014
			Rare Presentation Of Melorheostosis Involving Carpal Bones	Orthopedics	Journal Of Evolution Of Medical And Dental Sciences	
			A Case Of Extra Articular Ankylosis Of Hip Due To Heterotopic Ossification Treated By Excision Of Bone Block	Orthopedics	Journal Of Evolution Of Medical And Dental Sciences	2013
			Synovial Chondromatosis Of Lumbar Spine	Orthopedics	Indian Journal Of Research	2023

2	Dr.Azeemuddin	Professor	Conservative Versus Surgical Treatment Of Gartland Type 2 Supracondylar Humeral Fractures: Observational Study	Orthopedics	Indian Journal of Basic and Applied Medical Research	2019
			Evaluation Of Efficacy Of Dynamic Hip Screw And Proximal Femoral Nail In Treatment Of Intertochaneric Fractures Of Femur	Orthopedics	International Journal of Orthopaedics Sciences	2019
			Efficacy Of Different Treatment Protocols Of Low Molecular Weight Heparin For Prevention Of Deep Vein Thrombosis In Patients Undergoing Orthopaedic Surgery : A Comparative Study	Orthopedics	International Journal of Orthopaedics Sciences	2019
			Radiological Assessment Of Total Hip Arthroplasty In Displaced Neck Of Femur Fracture : An Observational Study	Orthopedics	International Journal of Orthopaedics Sciences	2021
			Prevalence Of Rheumatoid Arthritis In Adults Patients: A Hospital Based Study	Orthopedics	Indian Journal of Basic and Applied Medical Research	2013
			A Prospective Study Of Clinical Characters Of Septic Arthritis Of Hip In Tertiary Care Teaching Hospital	Orthopedics	International journal of Contemporary Research and Review	2013
			Prevalence Of Vitamin D Deficiency In Patients Attending Orthopaedics Department: A Hospital Based Retrospective Study	Orthopedics	Indian Journal of Basic & Applied Medical Research	2012
			A Prospective Study Of Fractured Tarsal Navicular Bone In A Territory Care Teaching Hospital.	Orthopedics	Indian Journal of Basic & Applied Medical Research	2012
3	Dr.Srinivas	Professor	Plating Of Fibula In The Management Of Distal Metaphyseal Tibial And Fibular Fractures - A Prospective Study.	Orthopedics	Medpulse International Journal Of Orthopedics	2018
			Displaced Calcaneal Fractures Treated By Open Reduction And Internal Fixation - A Functional Outcome.	Orthopedics	Medpulse International Journal Of Orthopedics	2018
			A Case Of Extra Articular Ankylosis Of Hip Due To Heterotopic Ossification Treated By Excision Of Bone Block	Orthopedics	Journal Of Evolution Of Medical And Dental Sciences	2013
			Rare Presentation Of Melorheostosis Involving Carpal Bones	Orthopedics	Journal Of Evolution Of Medical And Dental Sciences	2014
			Proximal Humerus Fracture Treated With Proximal Humerus Locking Plates. (Philos): A Functional Outcome	Orthopedics	Int J Orthop Sci	2018
			A Clinical Radiological And Arthroscopic Correlation In Various Shoulder Pathologies: A Prospective Study.	Orthopedics	Int J Orthop Sci	2018
4	Dr Venu Madhav	Associate Professor	Analysis Of The Functional Outcome Of Patients With Recurrent Dislocation Patella Treated With Arthroscopic Lateral Retinacular Release: A Prospective Study.	Orthopedics	Mrim's J Health Sciences	2019
			A Comparison Of Functional Outcome Between Interference Screw And Endobutton Fixation On Femur In Arthroscopic Anterior Cruciate Ligament Reconstruction	Orthopedics	Mrim's J Health Sciences	2019
5	Dr Siva Kesavulu	Associate Professor	Analysis Of The Functional Outcome Of Patients With Recurrent Dislocation Patella Treated With Arthroscopic Lateral Retinacular Release: A Prospective Study.	Orthopedics	Mrim's J Health Sciences	2019
			A Comparison Of Functional Outcome Between Interference Screw And Endobutton Fixation On Femur In Arthroscopic Anterior Cruciate Ligament Reconstruction	Orthopedics	Mrim's J Health Sciences	2019

Department of Pediatrics

Publications

S.No.	Name	Designation	Topic	Department	Name of the Journal	Year
			Thyroid Hormone Levels In Neonatal Hyperbilirubinemia	Paediatrics	J. Evolution Med. Dent. Sc	2018

1	Dr Mettu Pradeep Reddy	Professor	Clinical, laboratory and radiological profile of dengue among pediatric patients admitted in tertiary care hospital	Paediatrics	International Journal Of Community Medicine And Public Health	2018
			Pediatric autopsy -Does it yields valuable information?	Paediatrics	MedPulse International Journal of Pediatrics	2018
			Physical Health Status and Health Seeking Behaviour of Tribal Adolescent Girls: A Cross Sectional Study	Paediatrics	Indian Journal of Public Health Research & Development	12/7/1905
2	Dr Sailendra Kumar Yeluri	Professor	Recurrent Abdominal Pain in Children Attending Paediatrics OPD	Paediatrics	Asian Journal of Clinical Pediatrics and Neonatology ¹	10/7/1905
			Hypoglycemic Profile of Breastfeed Low Birth Weight Neonates	Paediatrics	Asian Journal of Clinical Pediatrics and Neonatology ¹	12/7/1905
	Dr. Chandrashekar	Associate Professor	Correlation of Hypoxic Ischemic Encephalopathy Stages With Clinical variables	Paediatrics	Asian Journal of Clinical Pediatrics and Neonatology ¹	2020
			Ferritin As A Marker Of Seven Dengue in Children	Paediatrics	Asian Journal of Clinical Pediatrics and Neonatology ¹	2020
4	Dr kalyan Chakravarthy	Associate Professor	Correlation of PEFR with age and BMI in children of 10-15 years of age	Paediatrics	Int J Paediatrics Geriatrics	2022
			A study of early neonatal morbidity in late preterm	Paediatrics	Int J Paediatrics Geriatrics	2022
5	Dr M Suma Priya	Assistant Professor	Knowledge Attitude And Practice Of Mother Of Children Of 6 Months To 5 Years Age Receiving Oral Rehydration Therapy And Zinc	Paediatrics	Journal of Cardiovascular Disease Research	2023
			Diagnostic Evaluation Of Partial Seizures In Paediatric Age (2 To 12 Years) With Neuroradiological Tools Like Ct, Mri, Eeg	Paediatrics	Journal of Cardiovascular Disease Research	2023
			A Hospital Based observational study to study The Association Of Iron Deficiency Anemia With Febrile Seizures in Children of age group 6 months To 5 years at Tertiary care center	Paediatrics	International Journal of Scientific Research	2020
			Diagnostic Evaluation Of Partial Seizures In Paediatric Age (2 To 12 Years) With Neuroradiological Tools Like Ct, Mri, Eeg	Paediatrics	Journal of Cardiovascular Disease Research	2020
6	Dr. Murali Krishna	Assistant Professor	Knowledge Attitude And Practice Of Mother Of Children Of 6 Months To 5 Years Age Receiving Oral Rehydration Therapy And Zinc	Paediatrics	Journal of Cardiovascular Disease Research	2023
			Diagnostic Evaluation Of Partial Seizures In Paediatric Age (2 To 12 Years) With Neuroradiological Tools Like Ct, Mri, Eeg	Paediatrics	Journal of Cardiovascular Disease Research	2023
			A Hospital Based observational study to study The Association Of Iron Deficiency Anemia With Febrile Seizures in Children of age group 6 months To 5 years at Tertiary care center	Paediatrics	International Journal of Scientific Research	2020
			Diagnostic Evaluation Of Partial Seizures In Paediatric Age (2 To 12 Years) With Neuroradiological Tools Like Ct, Mri, Eeg	Paediatrics	Journal of Cardiovascular Disease Research	2020
			A Comparison Of Neonatal Thyroid Parameters Of Cord Blood And Newborn Venous Blood Amongst New-Borns Of Avmc	Paediatrics	EUROPEAN JOURNAL OF PHARMACEUTICAL AND MEDICAL RESEARCH	2021

Department of Ophthalmology

Publications

S.No.	Name	Designation	Topic	Department	Name of the Journal	Year
			Revised Technique of Four - Point Scleral Fixated Intraocular Lens: Visual Outcomes and Complications	Ophthalmology	Ophthalmology Research: An International Journal	2018

1	Dr Sikander A. K. Lodhi	Professo& HOD	Comparison of Intravitreal and Posterior subtenon tramcinolone in diffuse diabetic macular edema	Ophthalmology	Indian Journal of Clinical and Experimental Ophthalmology	2018
			Macular Thickness Evaluation in Different Grades of Myopia-A Spectral Domain Optical Coherence Tomography Study	Ophthalmology	EC Ophthalmology	2018
			Baseline Characteristics and Risk Factors for Retinal Vein Occlusions	Ophthalmology	Malla Reddy Medical College for Women Journal of Medical Sciences	2018
			Safety of tropicamide and phenylephrine in pupillary mydriasis for cataract surgery.	Ophthalmology	Saudi Journal of Ophthalmology	2021
			A case of postoperative <i>Sphingomonas paucimobilis</i> endophthalmitis after parsplana vitrectomy.	Ophthalmology	Indian Journal Of Ophthalmology	2023
2	Dr. Rasna Chawla	Professor	Nd:YAG in the Treatment of Posterior Capsular Opacification: A study in A Tertiary Care Centre	Ophthalmology	Ophthalmology and Allied Sciences	2019
			nfluence of Diabetes on Cataract: A Study in A Tertiary Care Centre	Ophthalmology	Ophthalmology and Allied Sciences	2019
			Prevelence and Risk Factors of Pterygium in a Semi urban area	Ophthalmology	European Journal of Molecular& Clinical Medicine	2022
			A Study of incidence of Posterior capsular of opacification after cataract surgewry based on square edge polymethyl methacrylate intra ocular lens	Ophthalmology	European Journal of Molecular& Clinical Medicine	2022

Department of ENT

Publications

S.No.	Name	Designation	Topic	Department	Name of the Journal	Year
1	Dr. V. Sri Prakash	Professor	Correlation between Nasal endoscopy and computed Tomography in a Tertiary Care Hospital	ENT	International Journal of Otorhinolaryngology and Head and Neck Surgery	2019
2	Dr. Shalini Singh	Professor	Impact of Cortical Mastoidectomy on Tympanoplasty for Recurrent Suppurative otitis media: A Prospective study	ENT	International Journal of Otorhinolaryngology and Head and Neck Surgery	2019
3	I. Sandeep	Associate Professor	Type 1 Tympanoplasty with total annular excision; A single center prospective study	ENT	International Journal of Health and Clinical Research	2021
4	Dr. Rachana Reddy	Assistant Professor	An Unusual Presentation of Impacted Foreign-Body in the Adult Larynx	ENT		2019
			Study on quality of voice in benign vocal cord lesions before and after Phonomicrosurgery	ENT	International Journal of Academic Medicine and Pharmacy	2022

Department of Anaesthesia

Publications

S.No.	Name	Designation	Topic	Department	Name of the Journal	Year
			Postdural puncture headache after spinal anaesthesia and associated factors.	Anesthesia	JMSCR	2018
			Anesthetic Management in Marinesco-Sjogren Syndrome.	Anesthesia	MRIMS J Health Sci	2020

1	Dr P Surender	Professor& HOD	Efficacy of orally disintegrating tablet of ondansetron 4mg sublingually compared to ondasetron 4mg intravenous in the management of post-operative nausea and vomiting in patients undergoing elective laparoscopic surgeries under general anesthesia: A non-inferiority study	Anesthesia	European Journal of Molecular & Clinical Medicine	2022
			Anesthetic management and outcomes of patients with Steven Johnson Syndrome—A retrospective review study.	Anesthesia	J Anaesthesiol Clin Pharmacol	2021
			Bernard–Soulier syndrome a anesthetic management.	Anesthesia	MRIMS J Health Sci	2020
2	Dr V Sarada Devi	Professor	To Compare the effect of Chloroprocaine and Chloroprocaine with Fentanyl for Spinal Anaesthesia: A Prospective Randomised Double Blind Study.	Anesthesia	Medica Innovatica	2022
			Congenital Rubella Syndrome and anesthetic considerations.	Anesthesia	MRIMS J Health Sciences	2018
			Hemodynamic Alterations With 5% Phenylephrine EyeDrops InNormotensive And Hypertensive Patients Undergoing CataractSurgery: A Prospective Study	Anesthesia	Indian J Ophthal Anaesthesia	2023
			Bilateral Infraorbital Nerve Block for Post operative Analgesia after Functional Endoscopic Sinus Surgery: A Prospective Randomized Study	Anesthesia	J Res and Innov Anesthesia	2023
			A prospective randomised double-blind comparative study of bolus versus fractionated dose injection in spinal anesthesia for pregnant patients undergoing elective caesarean section	Anesthesia	IJAA	2018
			Effect of clonidine and dexmedetomidine on haemodynamic and recovery responses during tracheal extubation: A randomised double-blind comparative study	Anesthesia	Indian Journal of Anesthesia and Analgesia .	2019
			A prospective randomised double-blind comparative study of bolus versus fractionated dose injection in spinal anesthesia for pregnant patients undergoing elective caesarean section	Anesthesia	Indian Journal of Anesthesia and Analgesia .	2018
			A Prospective controlled comparative study of haemodynamic responses, intubating conditions to laryngoscopy and tracheal intubation by using Macintosh vs. Mc Coy blade laryngoscope.	Anesthesia	MRIMS J Health Sciences .	2018
			Fractionated Dose Vsconventional Method of Drug Administration in Spinal Anesthesia for Pregnant Women Undergoing Cesarean Section:A Comparative Study.Indian	Anesthesia	J Anesth Analg.	2019
Attenuation of hemodynamic response to laryngoscopy and intubation-The Effect of Diltiazem, A randomized controlled study.	Anesthesia	MRIMS J Health Sciences	2018			
3	M. Srinivas Reddy	Professor	Efficacy of pregabalin premedication prior to surgery in attenuating the adverse hemodynamic response to laryngoscopy and tracheal intubation	Anesthesia	International Journal of Advances in Medicine	2019
4	Dr B. Srinivasulu Reddy	Professor	Comparison of two doses of Dexmedetomidine on hemodynamic parameters of patients undergoing spinal anesthesia	Anesthesia	International Journal of Advances in Medicine	2019
			Efficacy of Ketamine Hcl and Tramadol Hcl by epidural route for lower abdominal surgeries	Anesthesia	International Journal of Advances in Medicine	2019

			Hemodynamic effects and QTC changes with intravenous phenytoin and fosphenytoin during propofol and sevoflurane anesthesia:	Anesthesia	JNACC	2022
5	Dr Rukmini G	Associate Professor	Oral clonidine versus intravenous fentanyl in attenuation of hemodynamic responses to larngoscopy and endotracheal intubation: a comparative study	Anesthesia	International Journal of Advances in Medicine	2019
			Evaluation of effects of intrathecal Clonidine as adjuvant to 0.5% bupivacaine (heavy) in lower abdominal surgeries .	Anesthesia	IP International Journal of Ocular Oncology and Oculoplasty	2021
			Comparative Study of Intrathecal 0.5% Hyperbaric Bupivacaine with Dexmedetomidine and Fentanyl for Lower Abdominal Surgeries: A Randomized Double-blind Clinical Trial	Anesthesia	International Journal of Scientific Study	2021
			Oral clonidine versus intravenous fentanyl in attenuation of hemodynamic responses to larngoscopy and endotracheal intubation: a comparative study	Anesthesia	International Journal of Advances in Medicine	2019
6	Dr P. Sudha Poornima	Assistant Professor	A clinical comparative study between 0.5% Bupivacaine midazolam combination and 0.5% bupivacaine alone for brachial plexus block by supraclavicular approach	Anesthesia	Indian Journal of Applied Research	2022

Department of Radiology

Publications

S.No.	Name	Designation	Topic	Department	Name of the Journal	Year

			Long – Segment Epidural Hemorrhage Of The Cervical And Dorsal Spine: A Case Report Of A Rare Complication Of Dengue Virus Disease.	Radiology	Cureus	2023
			Radiological Manifestations Of Rhino-Orbits-Cranial Mucormycosis In Covid – 19 Patients Correlated With Pathological And Clinical Outcomes And Emphaisi On Magnetic Resonance Imagining- Based Sourcing System.	Radiology	Cureus	2023
			Applications Of Arterial Spin Labeling Sequence In Neuroimaging, Case Depications With Examples: Case Series	Radiology	<u>Journal Of Clinical And Diagnostic Research</u>	2023

2	Dr. Pruthvi M	Associate Professor	A randomized assessment of the potential relationship between magnetic resonance abnormalities of the common extensor tendon (CET) and its clinical symptoms in patients with chronic lateral epicondylitis	Radiology	European Journal of Molecular & Clinical Medicine	2022
			Role of ultrasonography, magnetic resonance imaging in evaluation of male pelvic masses with histopathological correlation	Radiology	Panacea Journal of Medical Sciences	2023
3	Dr. Sravan Kumar	Assistant Professor	Comparative and correlative study of Balthazar computed tomography severity index and modified computed tomography severity index in predicting the outcome of acute pancreatitis	Radiology	European Journal of Molecular & Clinical Medicine	2021
			Relationship between various anatomical variations and maxillary sinusitis by using computed tomography scan	Radiology	European Journal of Molecular & Clinical Medicine	2021
4	Dr Raja Kollu	Associate Professor	Magnetic Resonance Imaging Brain Patterns In Children With Cerebral Palsy-Hospital-Based Indian Study	Radiology	<u>International Journal Of Anatomy Radiology And Surgery</u>	2020
		Associate Professor	Mri Evaluation Of Knee Cartilage Injury: Comparison Of 3D Fiesta With The Fat Suppressed 3D Spgr Imaging	Radiology	Medpulse International Journal Of Radiology	2020
		Associate Professor	Ultrasound Assessment Of Carpal Tunnel Syndrome In Comparison With Nerve Conduction Study: A Case-Control Study	Radiology	<u>Journal Of Clinical And Diagnostic Research</u>	2021
5	Dr. Chandrasekhar Patil	Assistant Professor	Cisplatin Induced Cerebral Sinus Venous Thrombosis In Cervical Cancer Patients Treated With Concurrent Chemoradiation: A Case Series	Radiology	Ecancer. Org	2021
			Proximal Interruption Of Pulmonary Artery: Spectrum Of Radiological Findings With Emphasis On Chest Radiograph And Contrast-Enhanced Computed Tomography (Cect)	Radiology	<u>Cureus.</u>	2022
			Dual Origin Of Left Vertebral Artery: An Uncommon Vascular Variant	Radiology	Journal Of Clinical And Diagnostic Research For Doctors (Jcdr)	2022
			Images In Medicine Radiology Section Pictorial Essay Of Named Ct Signs In Covid-19 Pneumonia On High Resolution Computed Tomography	Radiology	<u>Journal Of Clinical And Diagnostic Research</u>	2022
			Right Vertebral Artery Arising From Ipsilateral Common Carotid Artery With Severe Stenosis Of Ostio-Proximal Segment Of Aberrant Right Subclavian Artery: A Rare Life-Saving Variant	Radiology	Cureus	2022
			Long – Segment Epidural Hemorrhage Of The Cervical And Dorsal Spine: A Case Report Of A Rare Complication Of Dengue Virus Disease.	Radiology	Cureus	2023
			Radiological Manifestations Of Rhino-Orbits-Cranial Mucormycosis In Covid – 19 Patients Correlated With Pathological And Clinical Outcomes And Emphasis On Magnetic Resonance Imaging- Based Sourcing System.	Radiology	Cureus	2023
			Applications Of Arterial Spin Labeling Sequence In Neuroimaging, Case Depictions With Examples: Case Series	Radiology	<u>Journal Of Clinical And Diagnostic Research</u>	2023

Department of TB & CHEST

Publications

S.No.	Name	Designation	Topic	Department	Name of the Journal	Year
			Health outcomes, education, healthcare delivery and quality – 3060. Assessment of parameters of six – minute walk test (6MWT) in healthy young subjects	TB& CHEST	Chelluri et al. World Allergy Organization Journal	2012

1	Dr.M.Rajender	Professor& HOD	Chilaiditi's Syndrome	TB& CHEST	Indian J Chest Dis Allied Sci	2013
			A Prospective evaluation of visual function for early detection of ethambutol toxicity	TB& CHEST	MRIMS Journal of Health Sciences	2014
			Rare Mediastinal Hydatid Cyst	TB& CHEST	The Indian Journal of Chest Diseases & Allied Sciences	2014
			A Rare case report of dengue fever with massive hemothorax	TB& CHEST	Journal of Chalmeda Anand Rao Institute of Medical Sciences	2014
			A Rare case report of filarial pleural effusion	TB& CHEST	Journal of Chalmeda Anand Rao Institute of Medical Sciences	2014
			Prevalence of pulmonary hypertension in COPD Patients: A Retrospective observational study	TB& CHEST	International Journal of Integrative Medical Sciences	2016
			Study of serum electrolytes in acute exacerbation of chronic obstructive pulmonary disease patients	TB& CHEST	International Journal of Research in Medical Sciences	2016
			Study on prevalence of Diabetes mellitus in patients with pulmonary tuberculosis	TB& CHEST	International Journal of Integrative Medical Sciences	2016
2	Dr.Kiran Grandhi	Professor	Efficacy of early thoroscopic debridement for syn-pneumonic pleural effusions in pediatric age group	TB& CHEST	International Journal of Advances in Medicine	2018
			Role of air way stenting (Duman-silica stent) in benign stricture trachea management	TB& CHEST	International Journal of Advances in Medicine	2018
			Outcome of pediatric non resolving pneumonias with the aid of pediatric flexible bronchoscopy	TB& CHEST	International Archives of Integrated Medicine	2018
			Role of thoroscopic pleural biopsy in low adenosine Deaminase pleural effusions:A hospital based cross sectional study	TB& CHEST	International Archives of Integrated Medicine	2018
3	Dr.P.Vijayendra Raju	Associate Professor	To Compare the efficacy of fluorescent microscopy versus ZN Stain microscopy in detecting the pulmonary tuberculosis	TB& CHEST	International Journal of Contemporary Medical Research	2020
			A Clinical experience of COVID-19 Patient in tertiary care center	TB& CHEST	International Journal of Health and Clinical Research	2020

Department of DVL

Publications

S.No.	Name	Designation	Topic	Department	Name of the Journal	Year
1	Dr.B.Raghavendra Rao	Professor& HOD	A Study of the leprosy cases attending the outpatient Department of a Tertiary care hospital in Hyderabad	DVL	Mallla Reddy Medical College for Women Journal of Medicine Sencience	2019
			Overlap Syndrome with rare Combination of skin leisons	DVL	Mallla Reddy Medical College for Women Journal of Medicine Sencience	2019
			A Study of the leprosy cases attending the outpatient Department of a Tertiary care hospital in Hyderabad	DVL	Mallla Reddy Medical College for Women Journal of Medicine Sencience	2019
			Overlap Syndrome with rare Combination of skin leisons	DVL	Mallla Reddy Medical College for Women Journal of Medicine Sencience	2019

2	Dr D Subhash Reddy	Professor	Descriptive Study of the Clinical and Etiological Profiles of Palmoplantar Dermatoses in Patients Attending a Tertiary	DVL	Cureus	2021
			Clinical and Mycological clearance of vulvovaginal candidiasis with fluconazole of KIT 2, NACO, GOI"	DVL	International Journal of Health and Clinical Research	2021
			Evaluate of leprosy affected nerves using high resolution ultrasonography and color doppler	DVL	International Journal of Health and Clinical Research	2021
2	Dr.Maripati Lavanya	Associate Professor	A Study of the leprosy cases attending the outpatient Department of a Tertiary care hospital in Hyderabad	DVL	Mallla Reddy Medical College for Women Journal of Medicine Sencience	2019
			Overlap Syndrome with rare Combination of skin leisons	DVL	Mallla Reddy Medical College for Women Journal of Medicine Sencience	2019
			A Study of the leprosy cases attending the outpatient Department of a Tertiary care hospital in Hyderabad	DVL	Mallla Reddy Medical College for Women Journal of Medicine Sencience	2019
			Overlap Syndrome with rare Combination of skin leisons	DVL	Mallla Reddy Medical College for Women Journal of Medicine Sencience	2019

Department of Psychiatry

Publications

S.No.	Name	Designation	Topic	Department	Name of the Journal	Year
1	Dr V Pramod Kumar	Professor& HOD	A study of criminality and psychiatric morbidity among prison inmates	Psychiatry	The International Journal of Indian Psychology	2020
2	Dr K Suresh Reddy	Associate Professor	A study of criminality and psychiatric morbidity among prison inmates	Psychiatry	The International Journal of Indian Psychology	2020
			Risk Factors of Suicides: A Retrospective Study	Psychiatry	Indian Journal of Forensic Medicine & Toxicology,	2021
			Clinical Effectiveness Of Baclofen In Treatment Of Alcohol Dependent Patients	Psychiatry	Malla Reddy Medical College For Women Journal Of Medical Sciences	2019
			Internet addiction and Relationship with Depression Anxiety and Stress	Psychiatry	The International Journal of Indian Psychology	2023
			A cross -Sectional study of association between treatment adherence & medication in pateints with schizophrenia	Psychiatry	European Journal of Molecular & Clinical Medicine	2022
			A rare case of recurrent psychosis with hypothyroidism precipitating catatonia	Psychiatry	Telangana Journal of Psychiatry	2023
			A cross-sectional study to assess psychiatric co-morbidities with endocrinological disorders in the patients attending tertiary care hospital	Psychiatry	Journal of Cardiovascular Disease Research	2023
3	Dr G Surekha	Assistant Professor	Clinical Effectiveness Of Baclofen In Treatment Of Alcohol Dependent Patients	Psychiatry	Malla Reddy Medical College For Women Journal Of Medical Sciences	2019
			A cross -Sectional study of association between treatment adherence & medication in pateints with schizophrenia	Psychiatry	European Journal of Molecular & Clinical Medicine	2022
			A rare case of recurrent psychosis with hypothyroidism precipitating catatonia	Psychiatry	Telangana Journal of Psychiatry	2023
			Association Between Demographic Characteristics and Insomnia Severity Among Psychiatric Patients: An Observational Study	Psychiatry	International Journal of Tropical Medicine	2023

		A cross-sectional study to assess psychiatric co-morbidities with endocrinological disorders in the patients attending tertiary care hospital	Psychiatry	Journal of Cardiovascular Disease Research	2023
