

SCIENTIFIC REVIEW COMMITTEE MINUTES OF MEETING

SRC meeting No: SRC-37/01/2024

Date: 23 Jan 2024

The meeting of Scientific Review Committee (SRC) was held on 23 Jan 2024 at 02:00 PM in the College Council Hall of Malla Reddy Medical College for Women, under the chairmanship of Dr. S. Sreelatha, Dean MRMCW.

The following SRC members attended the meeting:

No.	Name	Designation & Department	Position in SRC
1.	Dr. Sreelatha	Dean	Chairperson
2.	Dr. Padmavathi. V	Professor & HOD (Pharmacology)	Member Secretary
3.	Dr. N. Srinvasa Rao	Medical Superintendent	Member
4.	Dr. A. Vijaya Lakshmi	Professor & HOD (Biochemistry)	Member
5	Dr. R. Nagamani	Professor & HOD (General Medicine)	Member
6.	Dr. K. Saritha	Professor (Obstetrics & Gynaecology)	Member
7	Dr. K V Sathyanarayana Murthy	Professor (Community Medicine)	Member

Agenda of the meeting:

1. Review of the new research Protocol: 08
2. Any other issues with permission of chairperson
3. The academic protocols taken up for review were presented by the Principal Investigators as per the agenda. The Investigators clarified some of the queries raised by the committee members and after careful considerations; the committee made the following recommendations.

S. No	IEC No.	Investigator name & Designation	Proposal Title	Recommendations by SRC
1.	MRMCWIEC/ AP/205/2024	Dr. A. Sri Lakshmi Indraja First year Post Graduate Department of DVL MRMCW, Suraram.	A Clinico pathological study of plantar dermatoses in patients attending tertiary care center in Hyderabad, Telangana, India.	To resubmit the protocol with the following recommendations: 1. Objectives: mention 'to measure' instead of 'to study'. 2. Include detailed study procedure in patient information sheet.
2.	MRMCWIEC/ AP/206/2024	Dr. P. Tanushree First year Post Graduate Department of DVL MRMCW, Suraram	Clinico - Epidemiological study of pediatric dermatoses in patients of 5 - 14 year age group attending a tertiary care hospital.	To resubmit the protocol with the following recommendations: 1. Reframe the title by removing '5-14' age group. 2. Objectives i) To identify the Clinical pattern of dermatological manifestations in Pediatric age group in a tertiary care Hospital. ii) To identify the epidemiological pattern of dermatological manifestations in Pediatric age group in a tertiary care Hospital.
3.	MRMCWIEC/ AP/207/2024	Dr. M. Ruchika Reddy First year Post Graduate Department of General medicine MRMCW, Suraram	A study on insulin Resistance in Non Diabetic patients with Coronary Artery Disease.	To resubmit the protocol with the following recommendations: 1. Objectives i) 1 st objective: mention 'proportion' instead of 'association'. ii) 3 rd objective: To study the proportion of increased HOMA patients in CAD.
4.	MRMCWIEC/ AP/208/2024	Dr. D. Meghana Reddy First year Post Graduate Department of General medicine MRMCW, Suraram	A study on Acute Pancreatitis and its correlation with Radiological and Biochemical parameters.	To resubmit the protocol with the following recommendations: 1. Statistical analysis i) 3 rd point: reframe by including 'sensitivity with specificity'.
5.	MRMCWIEC/ AP/209/2024	Dr. M. Sai Rishitha Rayala First year Post Graduate Department of General Medicine MRMCW, Suraram	A study in association of abnormal coagulation profile and liver enzymes with dengue infection and their significance as detectors in assessing severity of disease.	To resubmit the protocol with the following recommendations: 1. Objectives i) To assess the liver enzymes in dengue patients. ii) To assess the coagulation profile alterations among dengue patients. 2. Study place: mention college name. 3. Exclusion criteria include known patients of bleeding diathesis.
6.	MRMCWIEC/ AP/210/2024	Dr. G. Sravya First year Post Graduate Department of General Medicine MRMCW, Suraram	A study on Neutrophil lymphocyte ratio as an early predictor of short term mortality in patients with stroke.	To resubmit the protocol with the following recommendations: 1. Objectives: i) To study the clinical presentation of Acute stroke. ii) To study the neutrophil lymphocyte

				ratio of Acute stroke.
7.	MRMCWIEC/ AP/211/2024	Dr. T. Aishwarya First year Post Graduate Department of General Medicine MRMCW, Suraram	Correlation of BODE index with the presence of pulmonary Hypertension to predict further admissions in COPD.	To resubmit the protocol with the following recommendations: 1. Mention COPD full form in the title.
8.	MRMCWIEC/ AP/212/2024	Dr. Ch. Likitha First year Post Graduate Department of General Medicine MRMCW, Suraram	Cardiac Complications in acute Ischemic/Thrombolyti c stroke patients with special reference to ventricular dysfunction.	To resubmit the protocol with the following recommendations: 1.Objectives i) 1 st objective reframe as: 'To evaluate the proportion of patients with ventricular findings in ECG and 2D Echo in patients of CVA'.

The Investigators whose proposals need modifications or revisions are required to submit one (01) hard copy and a soft copy of the revised proposals to the SRC within 3 days of receiving the communication.

All the final protocols will be forwarded to the Institutional Ethics Committee (IEC) for ethical clearance.

Dr. Padmavathi. V
(Member Secretary, SRC)
