

**5.2.3 Percentage of the batch of graduated students of the preceding year, who have progressed to higher education**

**Response: 66**

S.No	Description	Link
1.	Number of graduated students of the preceding year, who have progressed to higher education	<a href="#">View Document</a>
2.	Institutional data in prescribed format	<a href="#">View Document</a>

**DVV Remark:** The metric is of higher education and proofs are not justify the input.

**HEI Appeal:** Higher education options in the medical field include MD, MS, DNB, DM, MCH, Fellowships, and Post-Doctoral Fellowships (PDF). We are submitting additional evidence of higher education pursued by students from the 2021–22 passed batch of MBBS graduates (as there was no preceding graduating batch in 2022–23) and the 2022–23 passed batch of MD/MS graduates.
