I MBBS Time Table 2019-20

Foundation Course

Course objectives: To sensitize the learners with essential knowledge and skills, which will lay a sound foundation for their pursuit of learning across the subjects in MBBS course and later on a career in medicine?

Key elements:

- The foundation course is organized in the form of Interactive sessions/Group activities / Case scenarios / Video / Movies
- Small group teaching methods will be used for imparting Language and computer skills, First Aid and Basic Life Support
- Field visit includes visit to Urban Health Training Center, Rural Health training Center and Village for community orientation by introducing them to health care workers and patients
- 75 % attendance in Foundation course is compulsory which will be certified by the Dean of the institute

FOUNDATION COURSE- August 2019

PROGRAMME SCHEDULE								
Time	9-10 am	10-11am	11-12pm	12-1 pm	1-2pm	2-3pm	3-4pm	4-5pm
1/8/2019 Thursday	Welcome address by Director/Dean, Interaction with faculty, students and parents				Lunch	Rules and regulations by the college and University and Anti ragging act	Overview of MBBS Program	Visit to hostels and sports ground, common room
2/8/2019 Friday	History of Medicine, Alternate Health Systems in India	Health care systems and its delivery	Orientation to First Year subject (Anatomy)		Lunch	National health priorities and policies	Language in medical education	Sports
3/8/2019 Saturday	Introduction to the medical profession and the physicians role in the society (Panel discussion)		Orientation to First Year subject (Physiology)		Lunch	Concept of biosafety (Hand washing, Needle/scalpel stick injuries)	English and Local language skills in medical Education	Sports
4/8/2019	SUNDAY							
5/8/2019 Monday	White coat ceremony		Orientation to First Year subject (Biochemistry)		Lunch	Universal precautions, Vaccination	Computer skills in medical education	Sports
6/8/2019 Tuesday	Expectation of student from society, teachers and peers	Handling Biomedical Waste Management	Orientation to Para clinical departments, Library and Community Medicine (A to F Groups 25 students each)		Lunch	Documentation & Medical Records	Role of Information Technology in medical education	Sports
7/8/2019 Wednesday	Visit to hospital 10 groups – 15 students each- Rotation every 15 min Medicine, Pediatrics, Dermatology, Psychiatry, Pulmonology, Surgery, ENT, Ophthal, Ortho, Radiology, OBGY, Casualty, OT,OPD				Lunch	Career pathway and personality development	Essay writing (What does it mean to be doctor?)	Sports

8/8/2019 Thursday	FIELD VISIT Visit to Community Health Center (A,B,C groups) Visit to Urban Health Center (D,E,F)			Lunch	Basics in computer application (Power point, Microsoft word, Excel)		Sports		
9/9/2019 Friday	FIELD VISIT Visit to Community Health Center (D,E,F groups) Visit to Urban Health Center (A,B,C)			Lunch	Introduction to Communication skills	Language skills	Sports		
10/8/2019 Saturday	Concept of professionalism Case scenarios, Videos	Stress management	Time management	Lunch	Ensuring student safety on the internet		Sports		
11/8/2019	SUNDAY								
12/8/2019	PUBLIC HOLIDAY (MONDAY)								
13/8/2019 Tuesday	Medical ethics Case scenarios, Videos	Informed consent for treatment	Learning styles (Interactive session)		Lunch	Debate: Computer a Boon or a Bane in medical education			
14/8/2019 Wednesday	Medicolegal cases Case scenarios, Videos	Learning strategies (Interactive session)		Lunch	Library skills	Use of Online resources	Sports		
15/8/2019	INDEPENDENCE DAY (Thursday)								
16/8/2019 Friday	Consequence of unethical and unprofessional behavior Role play, Case scenarios	Learning pedagogy (Interactive session)	Group learning	Lunch	Language/Comp (In groups) A-Local language B-English language C-Microsoft word D-Power point E-Excel F-Literature search		Sports		
3 rd week									
17/8/2019 Saturday	Doctor patient relationship Case scenarios, Role play	Self directed learning (SDL) (Interactive session)	e-learning		Language/Comp (In groups) B-Local language C-English language D-Microsoft word E-Power point F-Excel A- Literature search		Sports		
18/8/2019	SUNDAY								
19/8/2019 Monday	Group dynamics: (In 6 groups)	How to do research	STS projects	Lunch	Language/Comp (In groups) C-Local language D-English language E-Microsoft word F-Power point A-Excel		Sports		

					B-Literature search	
20/8/2019 Tuesday	Doctor as Team leader Case scenarios, Role play	Peer assisted learning (interactive session)	Lifelong learning skills (Interactive session)	Lunch	Language/Comp (In groups) D-Local language E-English language F-Microsoft word A-Power point B-Excel C-Literature search	Sports
21/8/2019 Wednesday	Violence against doctors (Panel discussion)	Community based learning Role play, videos.		Lunch	Language/Comp (In groups) E-Local language F-English language A-Microsoft word B-Power point C-Excel, D-Literature search	Sports
22/8/2019 Thursday	Communication with patients and families (Case scenarios Role play)	Simulation based learning (Videos)		Lunch	Language/Comp (In groups) F-Local language A-English language B-Microsoft word C-Power point D-Excel E-Literature search	Sports
23/8/2019 Friday	Value of integrity, honesty & respect during interaction with peers and seniors Role play, videos	Value of integrity, honesty & respect during interaction with faculty Role play, videos	Assessment driven learning & Feedback Interactive session, Role play	Lunch	Language and Basics in computer application - Test A-Local language B-English language C-Microsoft word D-Power point E-Excel F-Literature search	Sports
4th week						
24/8/2019 Saturday	Value of integrity, honesty & respect during interaction with patients (Role play, videos)	Value of integrity, honesty & respect during interaction with healthcare workers (Role Play, Videos)	Skills training – (In groups) A-SDL B-Skill lab C-STS Projects D- First Aid E- Basic life support F -Yoga & Healthy lifestyle	Lunch	Language and Basics in computer application - Test B-Local language C-English language D-Microsoft word E-Power point F-Excel	Sports

					A-Literature search	
25/8/2019			SUNDAY			
26/8/2019 Monday	Functioning as a part of healthcare team (Case scenarios & Role play)		Skills training – (In groups) B-SDL C-Skill lab D-STS Projects E- First Aid F- Basic life support A -Yoga & Healthy lifestyle	Lunch	Language and Basics in computer application - Test C-Local language, D-English language E-Microsoft word F-Power point A-Excel B-Literature search	Sports
27/8/2019 Tuesday	Physicians role in Clinical research (Interactive session)	Research Ethics &Institutional Human Ethics Committee	Skills training – (In groups) C-SDL, D-Skill lab E-STS Projects F- First Aid A- Basic life support B-Yoga & Healthy lifestyle)	Lunch	Language and Basics in computer application -Test D-Local language, E-English language F-Microsoft word A-Power point B-Excel C-Literature search	Sports
28/8/2019 Wednesday	Use of animals in medical education and research	Animal welfare regulations (CPCSEA)	Skills training – (In groups) D-SDL E-Skill lab F-STS Projects A-First Aid B-Basic life support C-Yoga & Healthy lifestyle	Lunch	Language and Basics in computer application - Test E-Local language, F-English language A-Microsoft word B-Power point C-Excel D-Literature search	Sports
29/8/2019 Thursday	Mentoring in medical college (Videos)	Mentor- Mentee relationship (Role play, videos)	Skills training – (In groups) E-SDL F-Skill lab A-STS Projects B- First Aid C- Basic life support D -Yoga & Healthy lifestyle	Lunch	Language and Basics in computer application -Test F-Local language, A-English language B-Microsoft word C-Power point D-Excel E-Literature search	Sports
30/8/2019 Friday	Teaching AETCOM to students	Cinemadeducation Role play Reflection	Skills training – (In groups) F-SDL A-Skill lab B-STS Projects	Lunch	Educational networking for growth Interactive session	Sports

			C- First Aid D- Basic life support E -Yoga & Healthy lifestyle					
31/8/2019 Saturday	Teaching AETCOM to students Cinemameducatio n Role play	Reflections	Health coverage in India	Nutrition and Health	Lunch	Feedback	Closure	Sports

Structure of the program

Subjects/contents	Total Teaching Hours
Orientation	30
Skills module	35
Field visit to Community Health Center	8
Professional development including Ethics	40
Sports & Extra circular activities	22
Enhancement of Language/Computer Skills	40
Total Teaching hours	175
