Nutrition is an important aspect of Life that everybody is curious to know about. It is a double-edged sword with too much of it having grave consequences on all of us & too little of it having its effects on the physical & Mental well-being of children.

A CPD on Nutritional assessment of the Community is being organized by the Department of Community Medicine, Malla Reddy Medical College for Women with the outstanding Faculty from the Division of Public Health Nutrition, ICMR-NIN. The day starts with an introduction to the nutrition scenario in India. Assessment of Nutritional status in the community, Dietary Guidelines for Indians, Nutritional anthropometry and nutritional deficiencies are the important topics with demonstrations, and Q & A sessions. So join us PGs, SRs, Tutors and faculty in this exclusive CPD with exceptional experts in the field.
