ABOUT WORKSHOP

Ultrasound guidance has revolutionized Regional Anaesthesia by improving accuracy, safety, and patient outcomes. This workshop, hosted by Mallareddy Medical College for Women on 28th June 2025, aims to enhance the skills of Anaesthesiologists and trainees in Ultrasound-guided nerve blocks.

The program features expert-led sessions, hands-on practice, and focused modules on upper and lower limb as well as trunk blocks. Designed to blend theory with real-time scanning techniques, the workshop offers an excellent opportunity for participants to refine their skills and stay updated with current best practices in Regional Anesthesia.
