Dear Colleagues,

We are pleased to invite you to the CPD on “Coagulation: A Clinico Pathologic Outlook”. Mallareddy Narayana Multispecialty Hospital is an NABL accredited hospital founded in 2016, and guided by the visionary Founder Chairman, Sri Ch. Malla Reddy Garu, and Chairman of Malla Reddy Vishwavidyapeeth (MRV) Dr. Bhadra Reddy. It offers expert medical care and advanced treatment strategies with a patient first approach and strives to make healthcare accessible and affordable to all with a multidisciplinary team delivering excellence with warmth, integrity, and care. Malla Reddy Medical College for Women is a private medical college started in the year 2012-2013 attached to Mallareddy Narayana Multispecialty Hospital, and now affiliated to MRV, a deemed to-be university. The Haematology department is dedicated to early detection, diagnosis and treatment with accuracy, empathy, and advanced care protocols.

Why attend: Coagulation tests remain one of the commonly asked investigations for emergency and elective cases of medical and surgical fields, but requiring stringent requirements for accurate results. This CPD is designed to update all the stakeholders, practicing pathologists and postgraduates, with best clinical and laboratory practices in coagulation testing. An interesting quiz awaits us all.

Who can attend: Students, faculty members, laboratory technicians, clinicians
Looking forward to your active participation. Together, let us have an exciting learning!

Regards

Team Pathology, MRMCW
