Dear Doctors

Greetings from Sri Siddhartha Medical College & Hospital, Tumakuru. It gives us immense pleasure & pride to invite you to the third edition of our "National Conference for Medical Undergraduates & Postgraduates – SSMCCON 2025", scheduled to be held on the 19th, 20th & 21st of November 2025.

This year, the conference revolves around the theme: **"Healthcare in Transition: Addressing Emerging Challenges & Opportunities."**

In a rapidly evolving medical landscape, this theme underscores the pressing need to adapt, innovate, & respond to the dynamic challenges facing global healthcare systems – from technological disruptions to rising public health demands.

We warmly welcome undergraduate & postgraduate students to participate in various Scientific sessions like Oral Presentations, Case Presentation & Poster Presentations. These sessions are designed to foster knowledge sharing, critical thinking, & creative expression, while also showcasing the clinical & research potential of young minds.
