

Continuing Professional Development Programme (CPD) On

# **BASIC NRP PROVIDER COURSE**

**In Association with INDIAN ACADEMY OF PAEDIATRICS (IAP)**

 **26<sup>th</sup> Feb 2026, Thursday** |  **08:00 AM to 06:30 PM**

**Organized by**

Eligible for  
TGMC  
Credit Hours

**Department of Pediatrics**

## **Scope of the Program:**

Malla Reddy Medical College for Women has been at the fore front of scientific advances, both in updating the existing faculty skills and also in conducting research for furthering newer horizons, of clinical best practices,

Department of Paediatrics is conducting a one day course in Basic Neonatal Resuscitation Protocol (Basic NRP) for Pediatricians, Emergency room doctors, Anaesthesiologists, Obstetricians and intensive care professionals on 26th February 2026. This would be a hands – on, simulator based, clinical scenarios - associated learning. The trainers are national experts in their respective fields and the training itself is based on the Indian Academy of Paediatrics and National Neonatology Forum- backed, American Academy of Paediatrics and American Heart association guidelines

Those interested in participating in this work shop are requested to contact undersigned urgently as registration is restricted only 32 delegates on a first – come – first – serve basis

We warmly welcome you all to attend the workshop and make it a success.
