INVITATION

11th ANNUAL IPSTSB PG TRAINING PROGRAMME 2026

Invitation to Delegates

It is our pleasure to warmly invite you to the Continuing Professional Development (CPD) Program on "Recent Trends In Consultation-Liaison Psychiatry In General Hospital Settings," scheduled for 14th March 2026 in the vibrant city of Hyderabad.

Liaison Psychiatry is rapidly transforming in response to evolving clinical needs, increasing medical-psychiatric comorbidity, and the growing emphasis on integrated care. This CPD program aims to highlight newer models of collaborative practice, digital innovations in consultation-liaison services, emerging research, and advances in psychosomatic medicine. Expert faculty will guide participants through case-based learning, interactive panel discussions, and evidence-based updates, ensuring that each delegate gains practical insights for everyday clinical application.

Beyond academic learning, Hyderabad offers a memorable cultural experience. Known as the City of Pearls, Hyderabad blends its rich history with modern cosmopolitan energy. Delegates may explore iconic landmarks such as the Charminar, Golconda Fort, Salar Jung Museum, Chowmahalla Palace, the serene Hussain Sagar Lake, Birla mandir and statue of equality. The city is also renowned for its world-famous Hyderabad Biryani, bustling bazaars, and vibrant technology corridor—making it an ideal destination for both academic enrichment and leisure.

We look forward to your participation and contribution to this exciting program. Your presence will undoubtedly enhance the academic dialogue and foster meaningful professional connections.

Warm regards,

Organizing Committee,
