INVITATION

Join us for this enriching academic event and be part of an engaging learning experience that bridges psychiatric classification with day-to-day clinical practice. Your participation will contribute to meaningful discussions and the continued advancement of psychiatric education and patient care.

ABOUT MRMCW

Malla Reddy Medical College for Women (MRMCW) a constituent college of Malla Reddy Vishwavidyapeeth, is recognized by UGC and accredited by NAAC. The institution is committed to excellence in medical education, healthcare, research and innovation.

ABOUT THE DEPARTMENT

The Department of Psychiatry at MRMCW is dedicated to advancing mental health education, clinical excellence & research while promoting professional development among healthcare professionals.

BUILDING ON THE SUCCESS OF ICD-11 WORKSHOP – PART 1

The Department of Psychiatry successfully conducted ICD-11 in Real-World Psychiatry: From Classification to Clinical Practice – Part 1, which received an overwhelming response from delegates across various institutions and specialties.

The engaging discussions, case-based learning sessions, and positive feedback highlighted the growing interest in the practical application of ICD - 11 in psychiatric practice.

ICD-11 IN REAL-WORLD PSYCHIATRY

From Classification to Clinical Practice – PART 2

This workshop is designed to strengthen participants' understanding and application of ICD-11 through advanced clinical discussions, practical exercises, and interactive learning experiences.

HIGHLIGHTS OF THE WORKSHOP

- ▶ Advanced Case-Based Learning Sessions
- ▶ Hands-on ICD-11 Diagnostic Exercises
- ▶ Interactive Group Activities
- ▶ Expert Faculty Guidance
- ▶ Quiz & Knowledge Assessment Sessions
- ▶ Real-World Applications in Psychiatric Practice

LEARNING OUTCOMES

The workshop aims to enhance participants' confidence and competence in utilizing ICD-11 effectively in clinical, academic and research settings.
